An Engineer is someone who...

ASKS QUESTIONS

SOLVES PROBLEMS

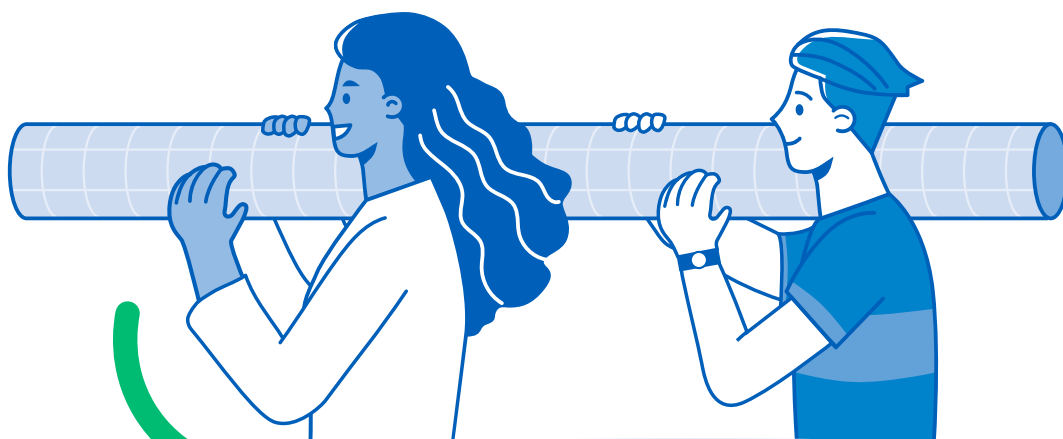

Engineers use science and mathematics to design and build things to solve real-world problems.

TEAMS UP

KEEPS IMPROVING

- ✓ Are you curious about the world?
- ✓ Do you like building things to solve problems?
- ✓ Do you enjoy working with friends to create cool projects?
- ✓ Do you look for new ways to keep improving your designs?

An Engineer is someone like YOU!
